JUMP PASS (THEATER) – TICKET CLARIFICATION

We'd like to share an important update regarding the Jump Pass (Theater) tickets:

Due to a typographical error, the pass was originally listed as including 5 events. This was corrected within short to reflect the accurate number of 4 events.

If any members of your NGB purchased the Jump Pass with the expectation of accessing the DDC Qualifier (including JWC DDC) on the morning of August 2, please note that this session is not included in the Jump Pass and must be purchased separately.

We kindly ask NGBs to confirm this detail with their members.
